

London Marathon 2025

Volunteer Photographer & Videographer

Are you a skilled photographer or videographer passionate about capturing unforgettable moments?

The Bone Cancer Research Trust is looking for enthusiastic volunteers to photograph and/or film our incredible runners as they participate in the London Marathon!

This is a unique opportunity to:

- capture the electric atmosphere as our team of runners take on this iconic challenge;
- show your appreciation for their dedication to raising vital funds for bone cancer research;
- be part of an inspiring event and contribute your skills to an unforgettable day!

We're looking for:

- 4-5 talented photographers and/or videographers with a friendly and professional attitude;
- enthusiastic people willing to volunteer their time for a good cause.

You will have the opportunity to:

- meet and support inspiring marathon participants;
- use your expertise to creating lasting memories;
- be part of the fight against primary bone cancer!

Event Date

Sunday 27th April 2025

Time Commitment

3-4 hours between 10.30am – 6.00pm

**If you can't commit to 3-4 hours, we would still be interested in hearing from you!*

Location

You will be based at one of our cheer points or at our post-race venue:

- Cheer Point 1 – Shadwell (mile 13 & 21): the cheer point will be located in front of St George's Leisure centre on the same side of the road. It is a 5 minute walk from Shadwell Station.
- Cheer Point 2 – Westminster (mile 25): the cheer point will be located in front of Big Ben on the same side of the road. It is easily accessible via Exit 3 from Westminster Underground Station.
- Post-race venue – [RSA House](#), 8 John Adam Street, London, WC2N 6EZ.

There will be large crowds so you will need to position yourself in the best location to capture the shots/footage. We will have a team cheering for our runners so it's a great opportunity to capture the runners' reactions as they approach the cheer point. We understand that with the sheer volume of participants it is not always possible to spot our runners but our staff will do their best to point people out to you. Any photos of our cheer point, branding, and supporters would also be great. Our cheer point will be branded with orange flags and banners and our runners will be wearing bright orange running tops:

Expenses

The Bone Cancer Research Trust will cover reasonable travel expenses within Greater London. Volunteers should retain any travel and parking receipts to be submitted alongside an expenses claim form following the event.

Equipment

We ask you to use your own camera and filming equipment. You must take responsibility for the security and safekeeping of your equipment during the event.

Clothing

We will provide you with a Bone Cancer Research Trust hoodie or t-shirt on the day so that you stand out to our runners.

Responsibility

Volunteers will be representing the Bone Cancer Research Trust on the day of the event and we ask that you conduct yourselves in a professional manner at all times.

How to Apply

Don't miss this opportunity to put your skills to work for a meaningful cause!

To apply to volunteer, [please complete the form on this webpage](#) by **Friday 28th February 2025**.

If you would like to discuss this role in more detail, please contact us at events@bcrt.org.uk or call our Events Manager, Lauren Clarke, on **07502 051 380**
